### Item Description

Whirl Garlic Butter Alternative is a flavored vegetable oil with a natural garlic flavor. It is great for a variety of frying and cooking applications.

- Contains three, one gallon jugs per case
- Liquid
- Yields 256 servings per gallon
- Contains no milk solids, no added water, and no preservative
- Formulated from non-partially hydrogenated oils
- Ready to use
- Store at 65°F to 75°F
- Shelf life: 540 days
- Keep the product in a clean, dry, and odorless environment

### Cooking & Preparation Instructions

- This product is recommended for sautéing, grilling, pan frying, broiling, basting, baking, and as a buttery spread for breads.

### Garlic Flavored Butter Alternative

30924-9
