YES! Enroll my store in the S. Abraham & Sons
Pacesetter Program

I understand we will receive new confection & snack products as soon as they are available from S. Abraham & Sons. Pacesetter items are guaranteed, however shipments should not be refused and customers must agree to take all future Pacesetter shipments unless 2-week written notice is given. Shipments will either be 1 case, or 3 single units (only when the item is sold by the Each).
